

koningslied

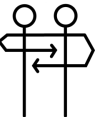

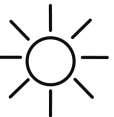

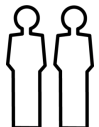

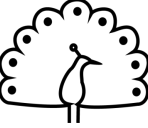

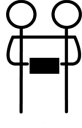

1  , 2 
 strijd levens

    ,   
 we staan voor elkaar , niet te breken

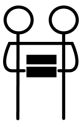

1  , 2 
 een vlag leeuwen

       
 met elkaar in de zon en de regen

 ,  
 zij aan zij borst vooruit

  1  ,  =  
 trots als een pauw dit is ons geluid

    ook 
 en hoe klein we ook zijn

   
 onze daden zijn groot

 gaan niet onderuit voor jou , mijn kind

 voor m'n pa , voor m'n ma

 loop voor jou door de wind en regen

 en zal achter je blijven staan

 ik draag een vaandel met jouw naam

 geloof in jou zolang we bestaan

 ik bouw een dijk met mijn blote handen

 en hou het water bij jou vandaan

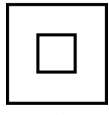

hou

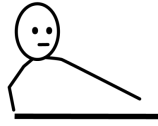

je

veilig

zo!

zo

lang

als

ik

leef
